

# SEN Information Report

2023 – 2024

# ICPS Intent Statement

We are a values led school and are driven by our mission statement 'Child Centred Learning in the Heart of the Community'. With this in mind for all children, especially our SEN children, we will:

- Promote **equity**, ensuring that children have what they need in order to achieve
- **Believe** that all children can be the best that they can be
- Encourage **curiosity** in their learning
- Promote **bravery**, encouraging a 'have a go' attitude
- Offer **kindness**, recognising that learning can be tricky
- Promote **aspiration** by broadening the children's horizons

We aim to remove barriers to learning by giving our SEN children the time and support that they need. As a school we recognise parents as their child's first educator and seek to work together in order to meet their needs.

# Definition of Special Educational Needs & Disabilities (SEND)

According to the SEND Code of Practice, 2014 on page 4

- 'A child or young person has SEN (Special Educational Needs) if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory school age or a young person has a learning difficulty or disability if they:
- have a ***significantly greater difficulty*** in learning ***than the majority*** of others of the same age; or
- have a disability which ***prevents or hinders them from making use of educational facilities*** of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions.

This is reflective of children from the age of 0 - 25 years.

# Areas of Need

The SEN Code of Practice identifies 4 areas of need:

- **Communication and Interaction Needs** – includes speech, language and communication needs as well as social communication and autism.
- **Cognition and Learning Needs** - includes dyslexia
- **Social, Emotional and Mental Health Needs**
- **Sensory and / or Physical Needs**

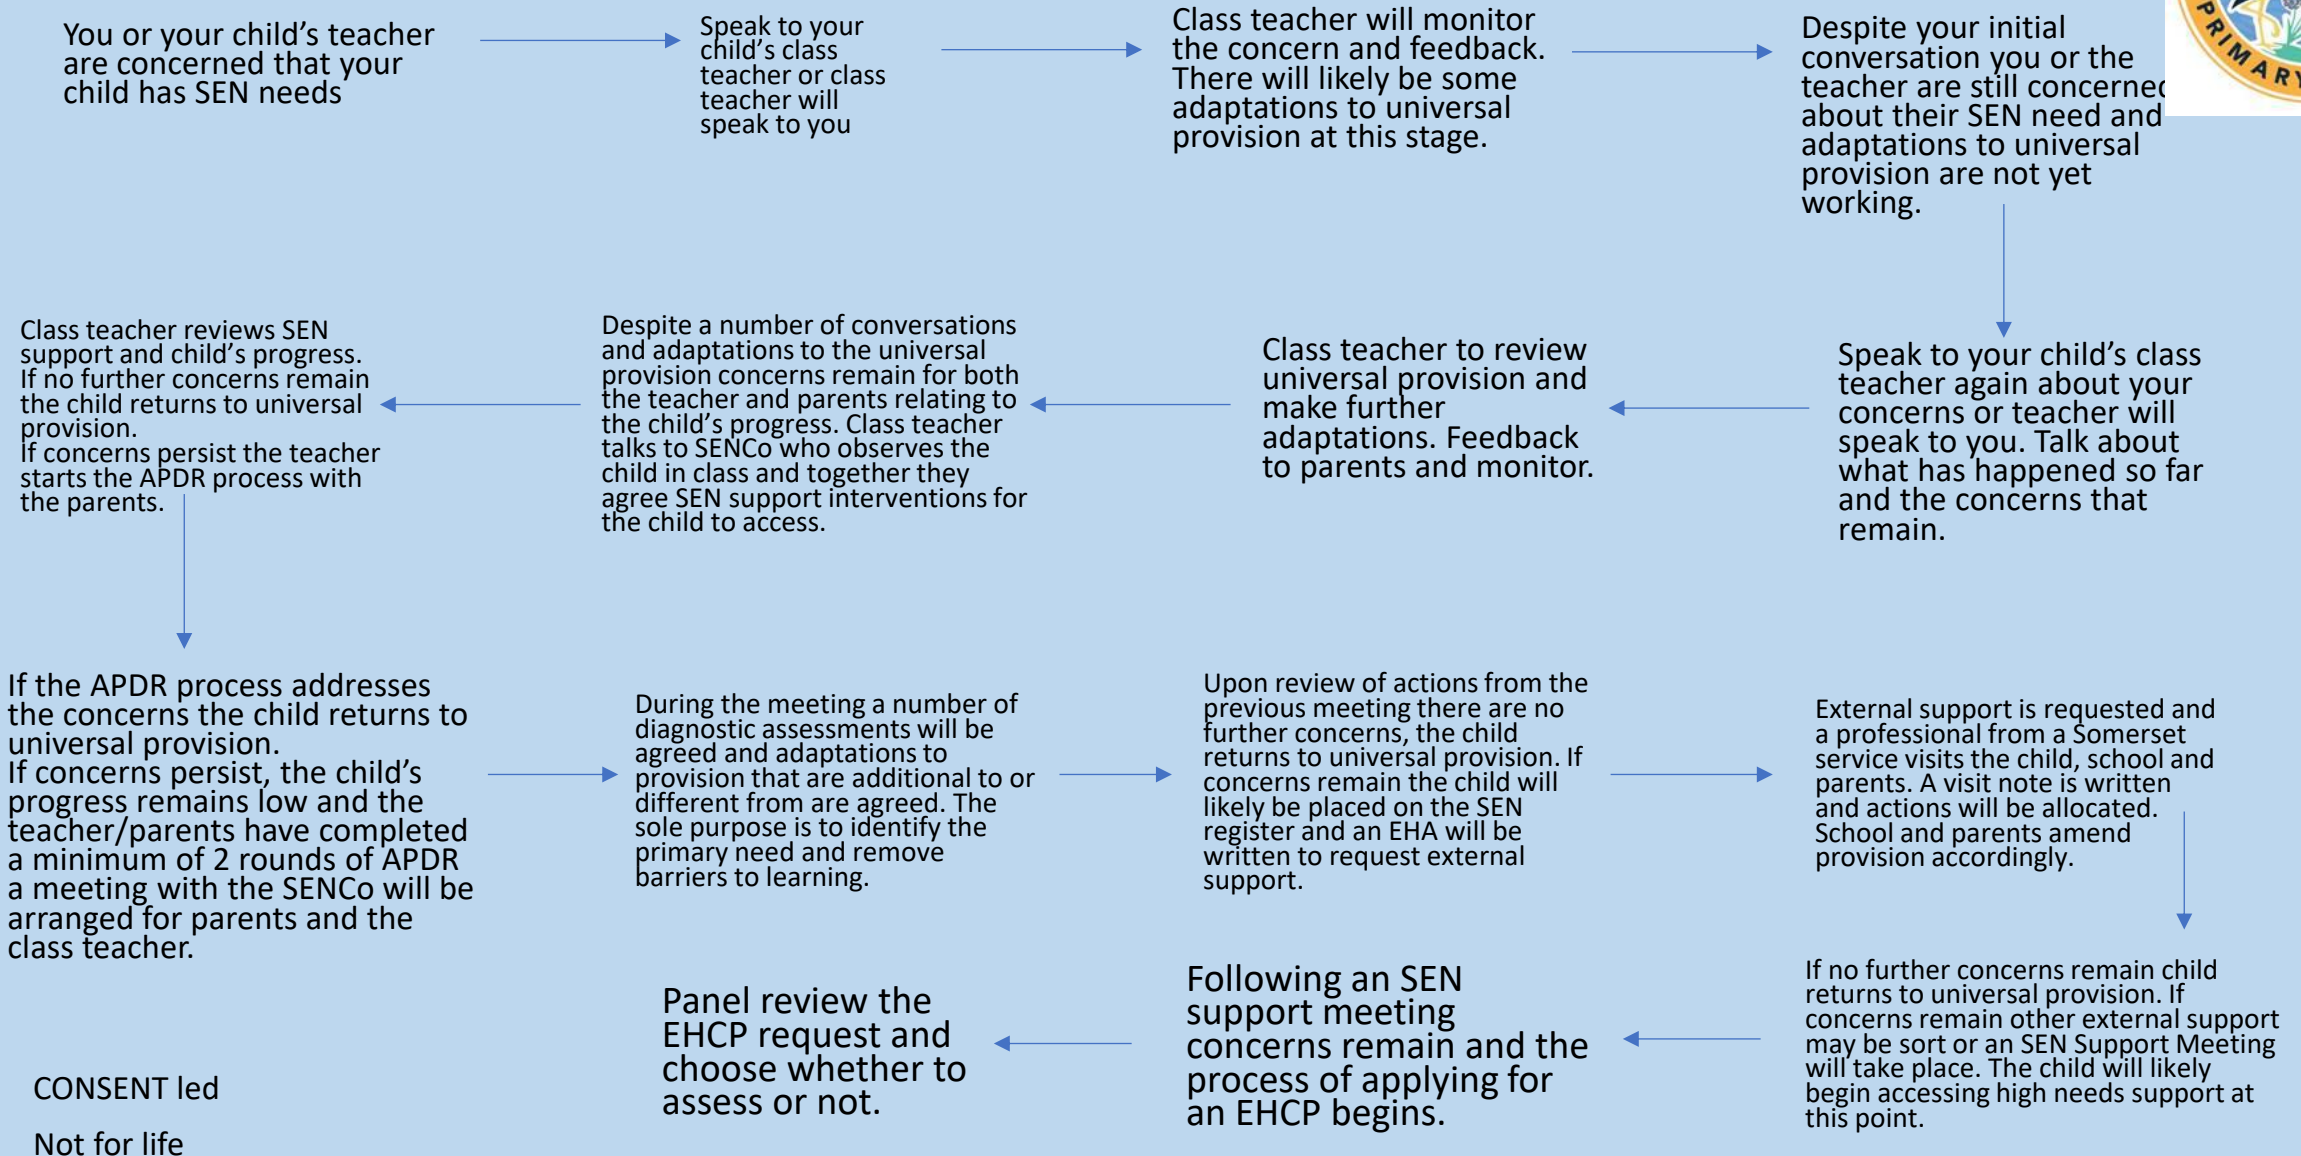

School will identify a primary area of need and often secondary areas of need that co-concur.

# Who is responsible for SEND?

- **Everyone** who works at school is responsible for meeting the SEND needs of our children
- Contact your child's class teacher to raise initial concerns and discuss on-going in class provision
- Or contact the SENCo, Mrs Louise King on 01935 840568 or via e-mail at [office@ilchestercommunityprimary.com](mailto:office@ilchestercommunityprimary.com) for any other concerns.

# If you think your child has SEND needs

# How do we identify a child's SEND needs?

- Observations of children's learning and behaviour in class and during unstructured times
- Through Pupil Progress Meetings and discussion with colleagues
