School Uniform Policy

At Ilchester Community Primary School we encourage our children to take pride in their appearance and to look smart in their school uniform. Uniform is set out as below. All items are non-gender specific.

Compulsory Items for all Year Groups

- Blue logoed v-neck or crew neck sweatshirt or cardigan
- Grey straight leg trousers (not combat or skinny)
- Grey shorts (not combat)
- Grey A-line or box pleat skirt
- Grey pinafore dress
- Sky blue and white gingham dress
- Grey socks (not trainer socks)
- White socks (pupils can only wear white socks with summer uniform)
- Grey tights
- Logoed book bag

Footwear

We encourage our children to be active and any footwear for both boys and girls should be supportive of an active lifestyle, to be worn in good and poor weather. Black, sensible school shoes or plain black trainers with no logos are both acceptable. To avoid competition through branded shoes we ask that any trainers chosen have no logos.

Compulsory Items for Infant children (Year Groups Reception-2)

- White polo shirt or a white collared shirt (long or short sleeved) and School tie. Polo shirts with or without logos are acceptable.

Compulsory Items for Junior Children (Year Groups 3-6)

- White collared shirt (long or short sleeved) and School tie.

PE Kit

- White collared polo shirt
- Black shorts
- Black joggers – optional (no leggings)
- Trainers or plimsolls (not needed at start of Reception year)

Other Matters

- Jewellery (with the exception of studs for pierced ears) should not be worn.
- Extremes of hair style are discouraged.

Pre-School

Uniform is not compulsory for children attending the Pre-School, however we recognise that for parents it is often simpler to adopt uniform items and the very nature of a pre-school learning environment means that the children do get messy. A logoed jumper is desirable and parents are free to use any other item from the list above.

Where to purchase uniform

Uniform and other optional school items which carry the school logo may be purchased from: Southwest Schoolwear, 10 Wine Street, Yeovil BA20 1PW
or online www.swschoolwear.co.uk

Whilst this company also hold supplies of other items of uniform etc., parents/carers have the option to source these items from any high street store/supplier of their choice.

Our PTA, 'FIS' has pre-loved uniform which is available to buy. This can be bought at organised sales or by contacting FIS directly.

Please ensure that all items of school clothing etc are clearly labelled.
