

Class 3 Home learning English

Look at the picture. What can you see? Make a list.

Use your list of words to write sentence.

Remember a capital letter at the start, sound words carefully, finger spaces and a full stop.

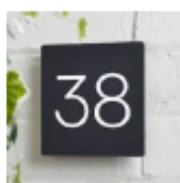

Draw your own place. This could be your house, the forest or even the beach. Make a list of words and write your own sentences.

Use these tricky words to write sentences

my the what like little they

Class 3 Home learning Maths

Look around your house for numbers. Write them down.

Choose 5 numbers. Put them in order from smallest to biggest.

Solve these add and subtract sums. Use objects (lego, pasta, cars, beads, buttons) or count on your fingers or in your head.

$5 + 6 =$	$10 - 4 =$
$4 + 8 =$	$13 - 9 =$
$8 + 9 =$	$15 - 8 =$
$12 + 4 =$	$17 - 2 =$
$15 + 4 =$	$20 - 7 =$

Solve these problems. Talk about if you need to add or take away. Write the sum and solve using objects or counting forwards/backwards. Your adult could draw a numberline.

Jack went the shop and bought 9 carrots, 7 apples and 2 beans. How many altogether ?

There are 20 people at the bus stop. 10 people got on the bus.
How many are left?

I made 15 cakes. The children ate 11 cakes. How many are left?

Class 3 Home learning Reading

Read this story.

Write down all the 'or' words. For example horn.

Jord spends most of his day wishing to have a horn like a unicorn. When he was born his mum told him his horn will grow.

He eats lots of corn with a fork then wears it as a horn. He asked Lord Bictor to turn him into a unicorn. Lord Victor put a big band with a cork horn on Jord. That morning the horn was torn by a thorn. The short horse went north to look for corn.

How many tricky words can you find ? e.g the

Answer the questions.

Who are the characters?

What does the horse eat ?

How can the horse travel north?

Class 3 Home learning Science

Look around your home to find sources of light. What can you find? Remember a source of light is something that gives us light.

Look outside - draw all the things you can see to show what season we are in.

How do you know? Add labels to your drawing.
