

Home Learning - Year 2 English

Using adjectives

Make a list of adjectives to describe the dog

Make a list of adjectives to describe the dinosaur

Now can you write three sentences about each creature including the adjectives from you list?

Draw a picture of your favourite animal and write a description of it.

Remember to include:

- Capital letters and full stops
- Adjectives
- Careful spelling

Amazing Antarctica

Where Is Antarctica?

Antarctica is the area of land that is the furthest south in the world. It contains the South Pole. It is the coldest place on Earth.

Antarctic Animals

Lots of different animals live in Antarctica.

Emperor penguins are the biggest penguins in the world. They are only found in Antarctica. They keep themselves warm by huddling together in big groups.

Fur seals have thick fur to protect them from the cold. They also have a thick layer of fat under their skin to keep them warm.

Orcas are sometimes called 'killer whales' but they are actually a type of dolphin. They eat seals, penguins, squid, sharks and even whales.
