

English

We will be exploring a range of texts this term, including:

- Darwin's Dragons
- Hamlet
- Suffragette—The Battle for Equality
- Moth: An Evolution Story

We will be focusing on a range of writing outcomes, including:

- Diary entries and letters
- Narratives
- Biographies
- Recounts
- Persuasive writing

Maths

- Number: fractions
- Measurement
- Number: place value
- Number: addition and subtraction
- Statistics
- Number: multiplication and division
- Number: negative numbers

Science - Plants

In our Y5/6 curriculum, the Animals and Plants units build on the same core biological ideas, leading towards the end of key stage understanding that adaptations over millions of years result in evolution.

Human Body

Children will revisit their learning about the human body, exploring how diet, exercise, drugs and lifestyle affect how their bodies function; Year 5 will also study the human life cycle, building on earlier work on other life cycles. This unit links closely with the PSHE and RSE curricula.

Curriculum Map Summer Term Class 9

Key Questions

- What do Muslim people believe about Islam and Iman?
- What and where are the Commonwealth of Nations?
- How did the Monmouth Rebellion impact Ilchester and its people?

PSHE

- Spanish Celebrations
- The Amazon Rainforest

Commonwealth Home Learning Project

This term we have been learning about **The Commonwealth of Nations** and exploring how different countries are connected through history, culture and shared values. For your home learning task, we would like you to **choose one Commonwealth country** and find out some interesting things about it. You can present your research in **any way you like** — be as creative as you want!

You might choose to create:

- a **poster**
- a **PowerPoint** or Google Slides
- a **short video**
- a **fact file or booklet**
- an **artwork or model**
- or any other way you'd like to share your discoveries!
-

Some things you could include:

- Where the country is in the world?
- Its flag
- Famous landmarks
- Food and traditions
- Animals or plants found there
- Languages spoken
- Any unique or surprising facts
-

Please bring your project into school (or email the office if it's digital) so we can share and celebrate everyone's work. We are excited to see what you discover!

Please can all home learning projects be brought in for the **w/c: : Monday 22nd June**
