Music

- What shall we do with the drunken sailor?
- Why we sing
- Introduction to songwriting

PE

- Netball
- Hockey
- Swimming

MFL: Spanish

- Favourite Foods in Spanish
- Sports in Spanish

Home Learning Project

In our art lessons this term, we are exploring **Landscape Painting** and learning about the work of local artist **Chris Alder**. We will be looking at how artists use colour, texture, light and perspective to capture the beauty of the natural world.

For your home learning project, we would like you to create your own landscape inspired by Chris Alder's artwork. You may choose any medium you like, such as painting, drawing, collage, digital art, or even a 3D model. Alongside your artwork, you could include a short explanation of the landscape you have created and how Chris Alder inspired your work.

Please could your child bring their project into school on **Monday 19th October**, ready to share with the rest of the class.
